Join us for this excellent training opportunity that provides you the foundation to build your Public Safety Honor Guard Team from the ground up or strengthen your existing team to precision. Honor Guards provide one of the most visible and positive images for the department and are often called upon to perform under tremendous adversity. Be it a ceremony or a full-honors Line of Duty Death (LODD) funeral, graduates will be properly prepared to serve the agency and the families. Guarantee your opportunity by submitting your registration form early!
